

WELCOME

There is nothing quite like the allure of a small town. Tucked away in the heart of Ohio's farm country, St. Henry may be small in size, but we are mighty in our commitment to family, God, and neighbor. Our zeal for some good old-fashioned fun is evident in most everything we do. Our locally owned restaurants, taverns and shops, along with our community festivals and gatherings, provide entertainment for the whole family all year through! We are proud of our long established businesses and manufacturers who are an anchor of commitment to our community. The young and very new businesses are a sign of hope and opportunity for the future. Thank you for visiting our town...stay as long as you like!

NORTH PARK

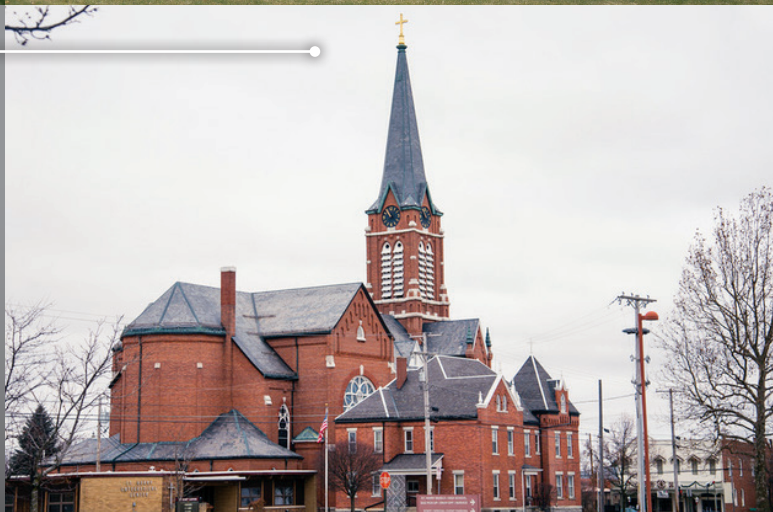

Summer fun and adventure begin at North Park! Make a splash as you can dive into fun at our newly constructed Olympic-size swimming pool featuring two slides, wade pool, infant pool and splash pad. Or, simply have a ball at one of our three baseball diamonds, tennis/pickle ball or volleyball courts while your children enjoy spacious playground.

ST. HENRY CATHOLIC CHURCH

Whether you plan to attend mass or take in a history lesson, you're welcome to step inside the doors of St. Henry Parish. Take in the rich beauty of the Gothic Revival structure built in the shape of a Latin Cross and get a history lesson in each of the stained-glass windows. Don't miss the most prominent aspect of the exterior, a massive belfry and clock tower. For mass times visit www.sthenrycluster.com

SOUTH PARK

If you are looking for something a little more relaxing, you will relish a stroll through our continuous loop walking path in scenic St. Henry South Park. Rest in the open gazebo, or if your timing is good, you may be able to catch a show in the Freedom Theater. For a current line-up of shows, visit St. Henry Freedom Amphitheater on facebook.
